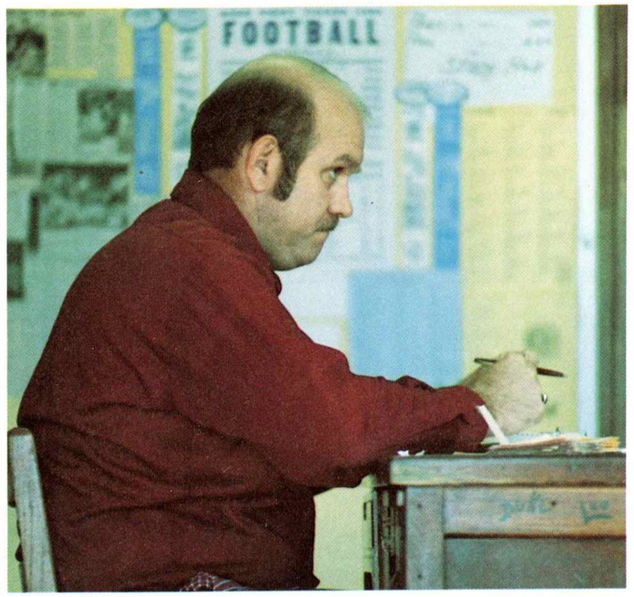
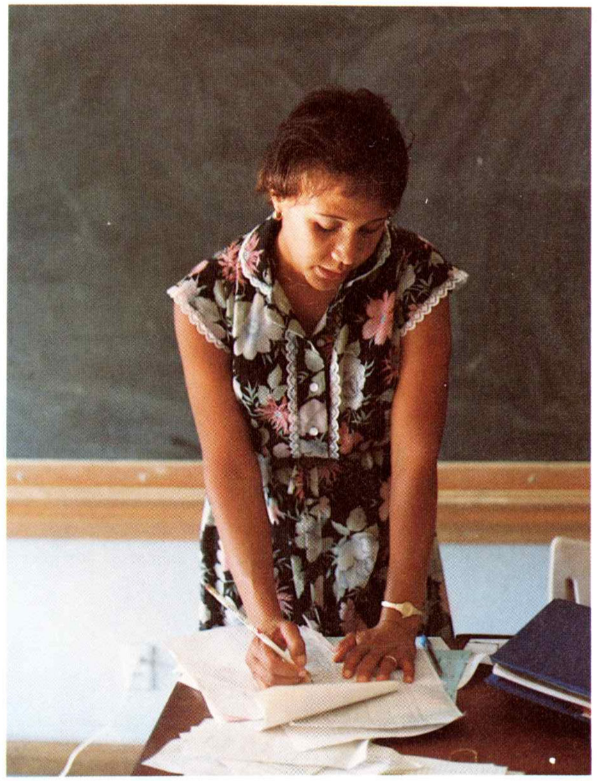
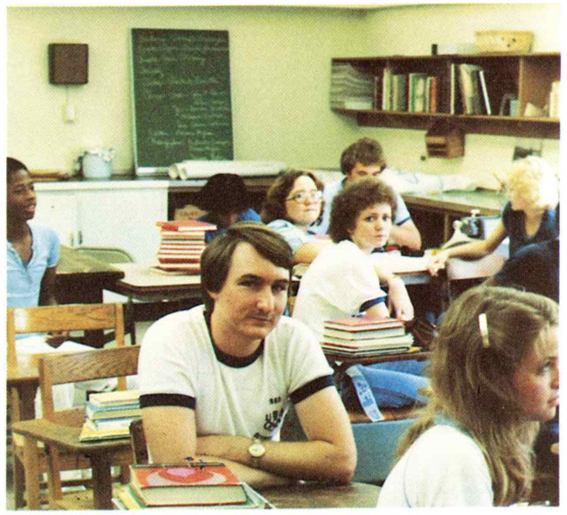
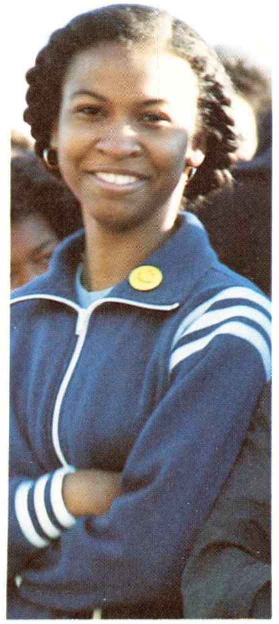
1980-1981: A year of gradual, but progressive change at MPHS. A change which meant high educational standards, improved behavior,









School unity, a new awareness of the importance of the individual and realizing that *these* are the good old days.

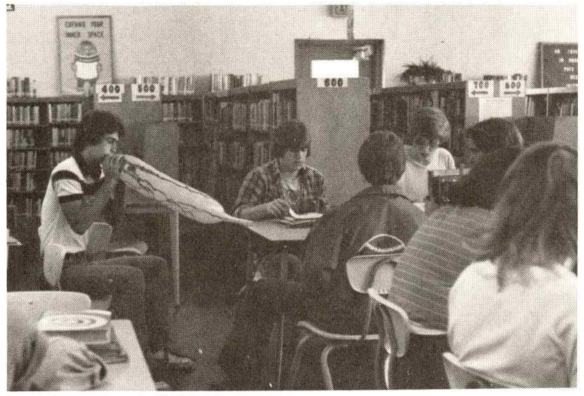
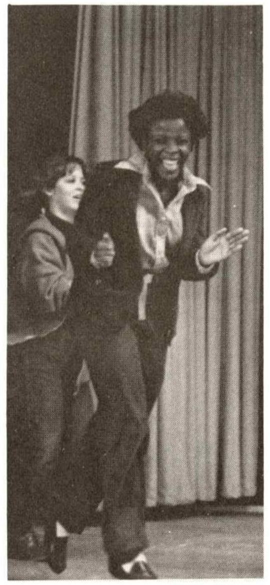
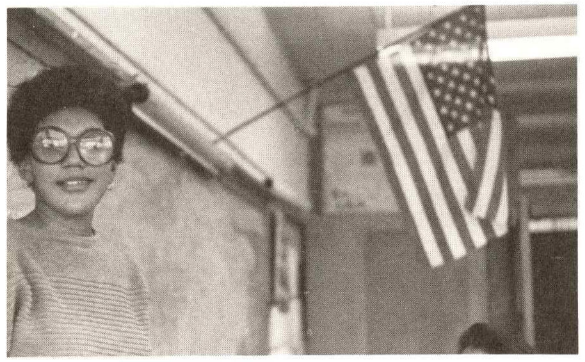
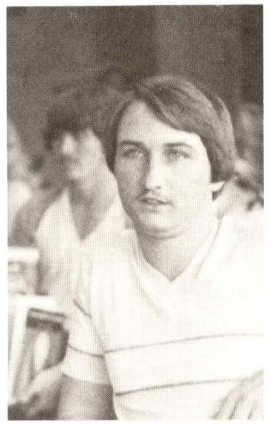
1980-1981:

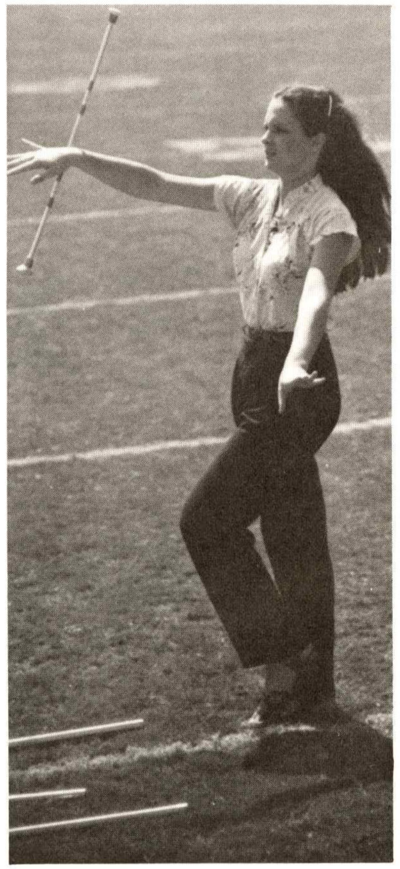
This was it 1980: A year spent here at MPSH. A year which meant studying, learning, self discipline, acquiring close friends, having new experiences . . .

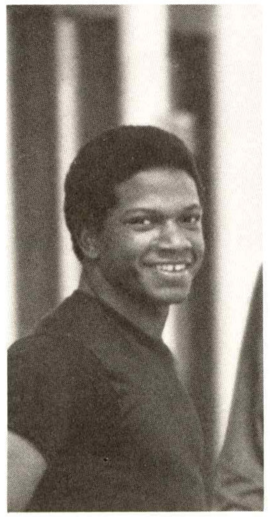


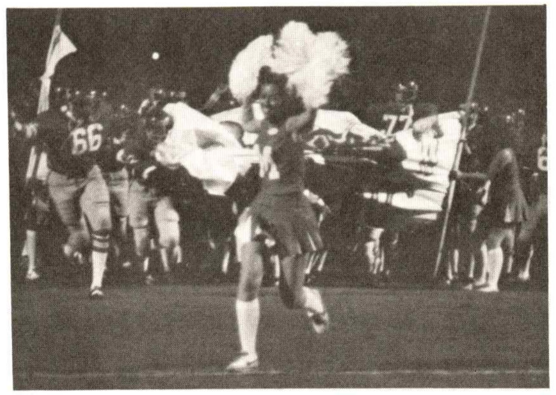


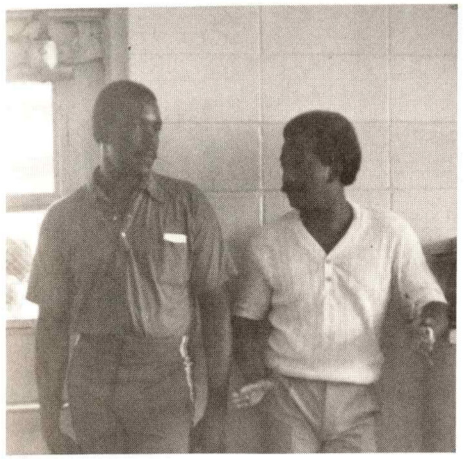


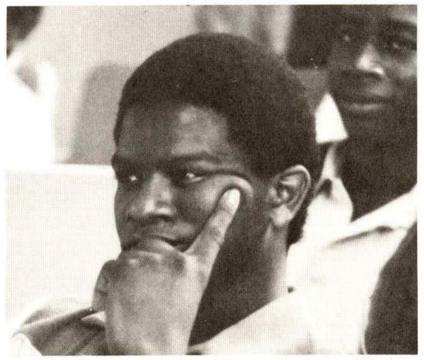


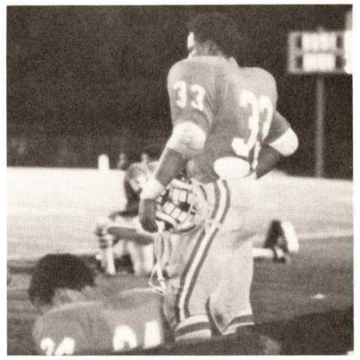


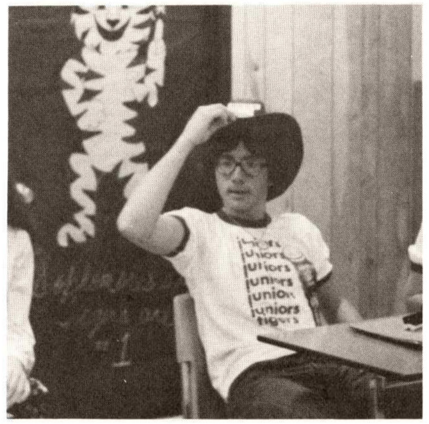


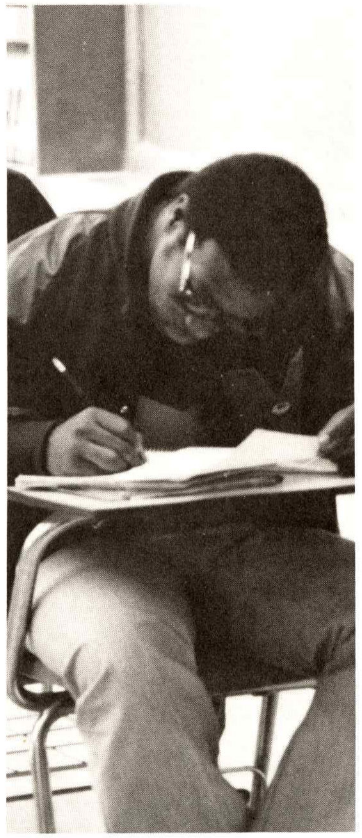


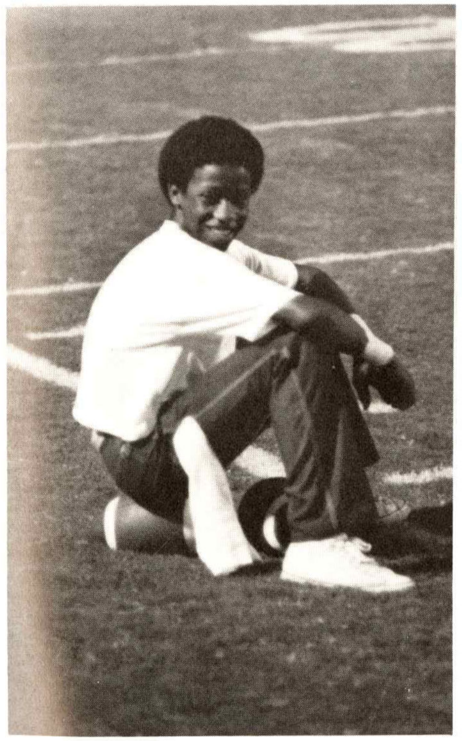












doing those things which meant the most to us, and . . .

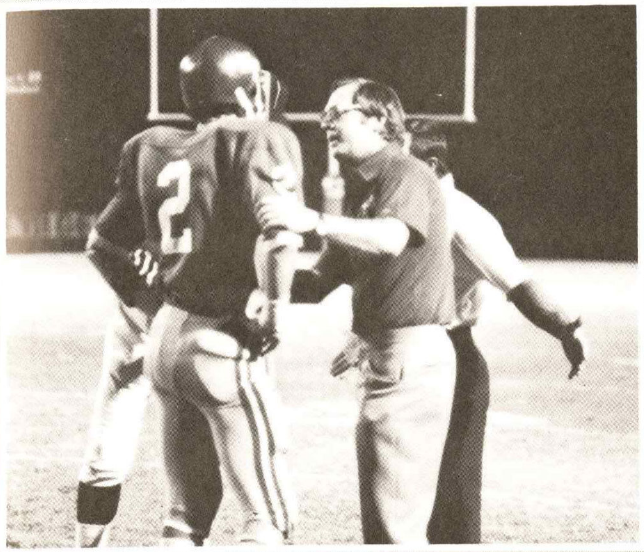
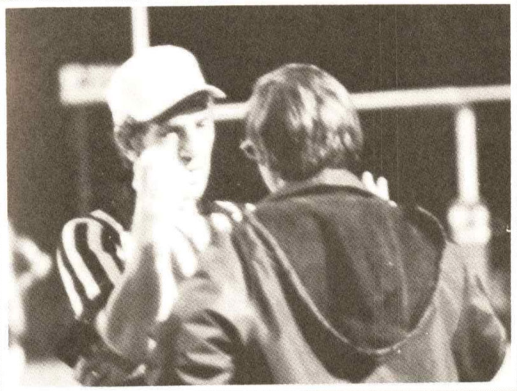
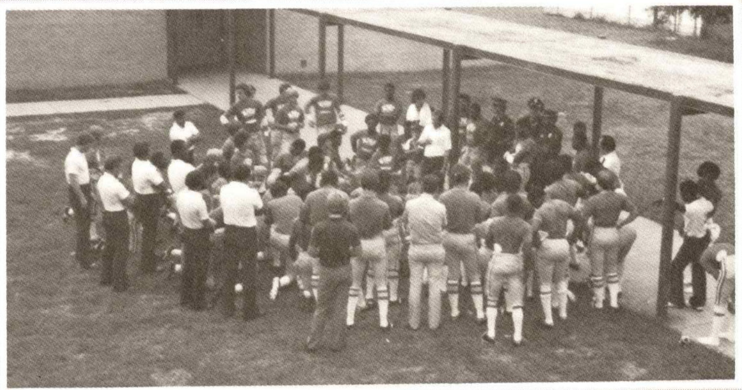
Trying to make our dreams come true!!!!

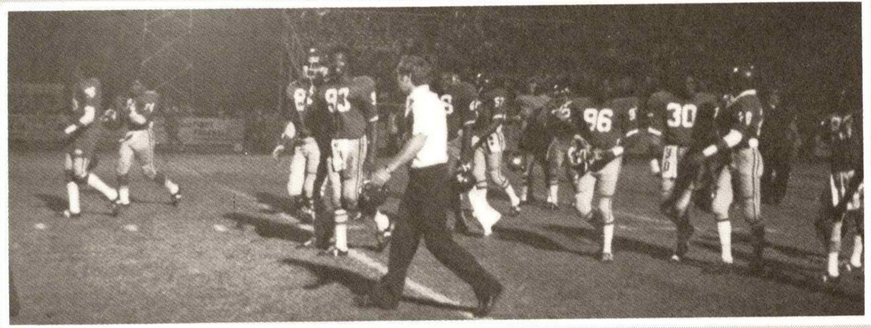


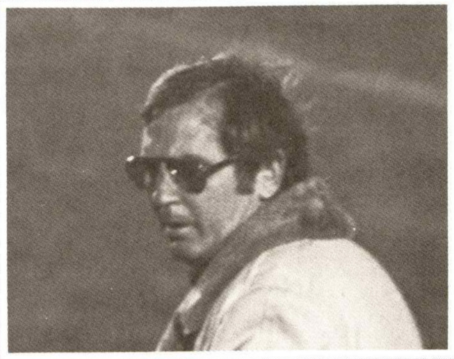
1980-81, would not have been the same without this man whose talents we all take for granted. This year marked his tenth year as head coach and athletic director at MPHS. It was also a year highlighted by our being the Coastal Zone Champions. Therefore, we thought it only fitting to dedicate the 1980-81 *Growler* to . . .

Coach Billy Wayne Miller







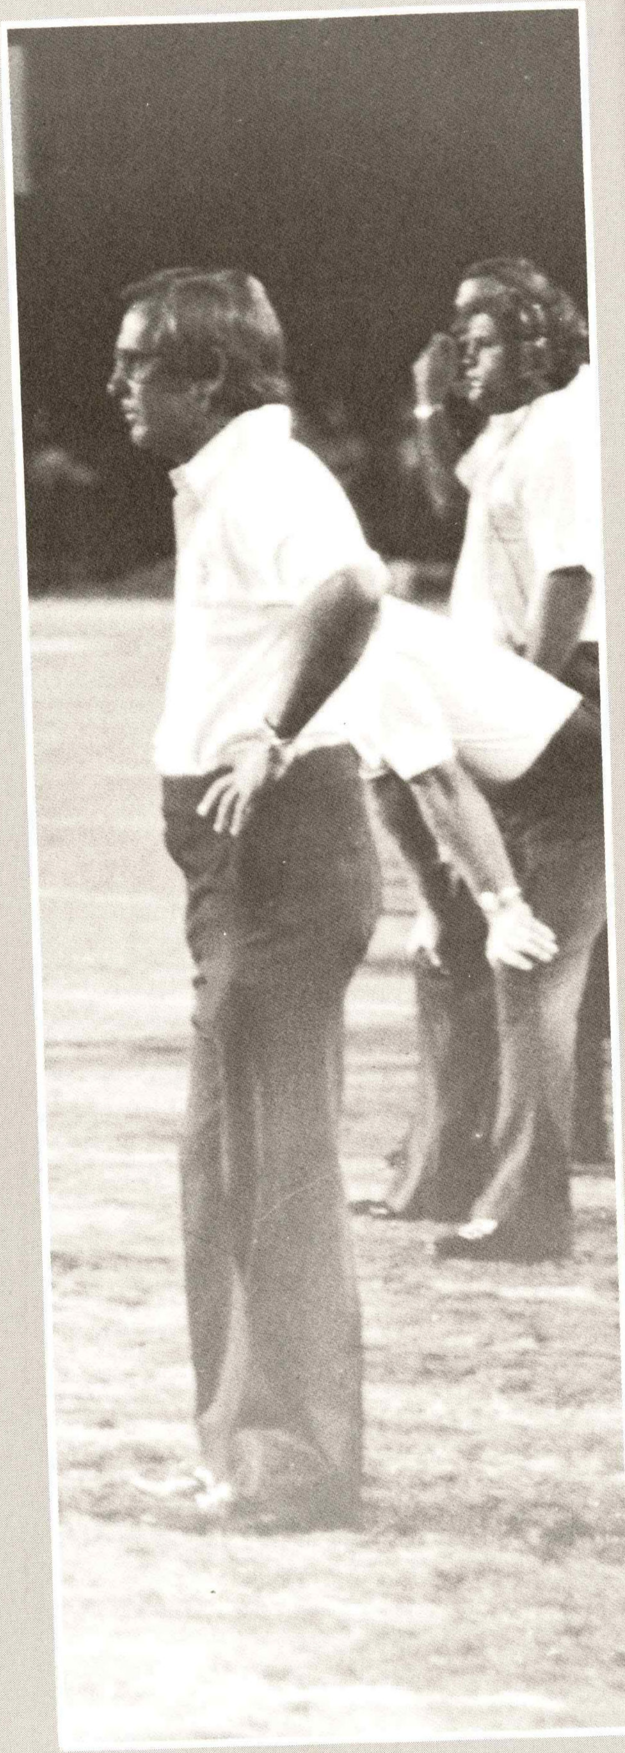


Coach Miller received his A, AA and AAA degrees at the University of Southern Mississippi. He Coached at Pearl River Jr. College for one year. Two years at Pearl River Central High School as head Coach, four years at Stone County High School and two years at Pascagoula High School as assistant coach, all preceeded his position here.

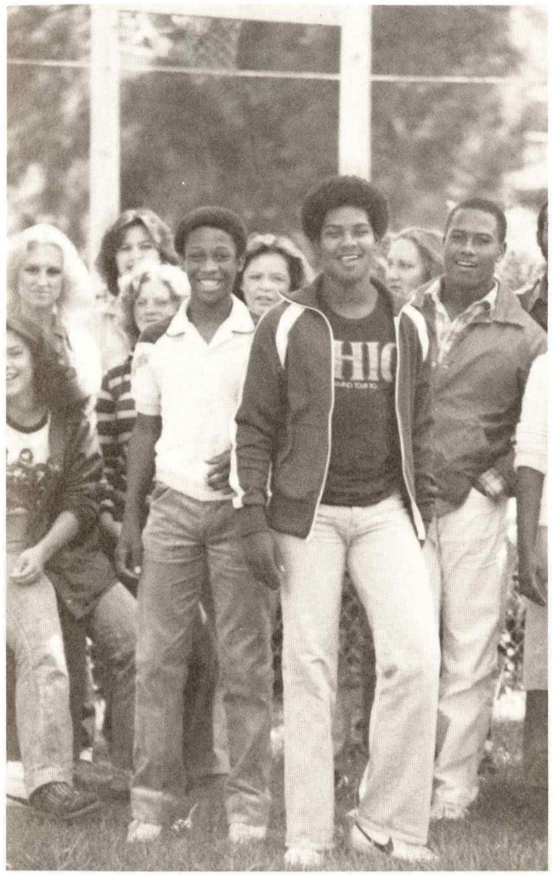
He has been instrumental in helping athletes attend South Eastern La., Jackson State, Miss. State, Perkinston Jr. College, Ole Miss and several other Universities.

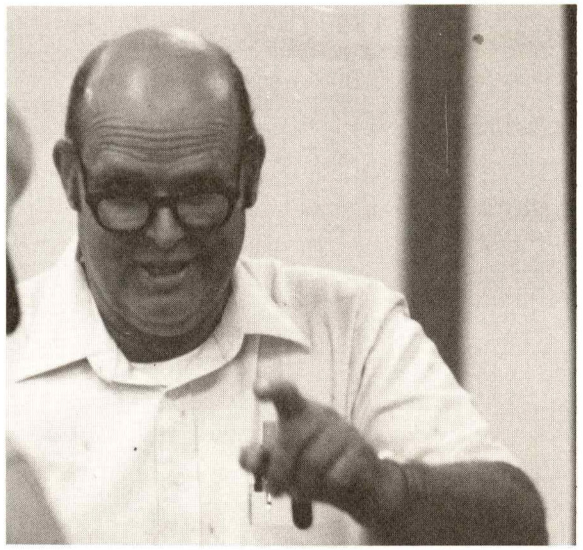
Several former Moss Point Tigers gained their early athletic experience and training under his guidance: Ray Costict, linebacker for the New England Patriots, Kenny Johnson, corner back for the Atlanta Falcons, Bobby Molden for the New York Jets and the Canadian League, and Gerald Jackson for the Kansas City Chiefs.

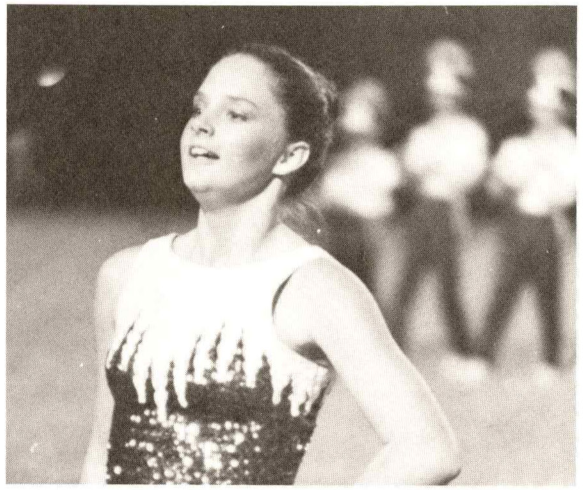
Not only has Coach Miller received credit and applause when the Moss Point Tigers were a credit to the School and Community, but he has also had to carry the burden of the team's loses and mistakes. Not many men could assume such responsibility. We are proud to call him our own.



PEOPLE







There is an active variety of types and tastes at MPHS with every individual making up part of the atmosphere. Everyone has and keeps his own ideas, opinions, and perceptions. He is a part of the traffic on a road headed in different directions, and the time he spends at MPHS can be good miles or bad miles . . . it's how one takes the curves.

Looking at High School life, it's easy to say that evrything follows the same routine. If you look at all of the fun which goes hand in hand with the learning, it's easy to see it's not *all* routine.

Breaking the routine was different for everyone. For some it meant dressing up during Homecoming Week, attending meetings, trying out for athletics, or class plays.

In the end the students' efforts were rewarded by a winning team, precision marching and earned credit, a driver's license, or a diploma. Many students could look back over the years and discover, *Maybe* it wasn't wasted time after all.

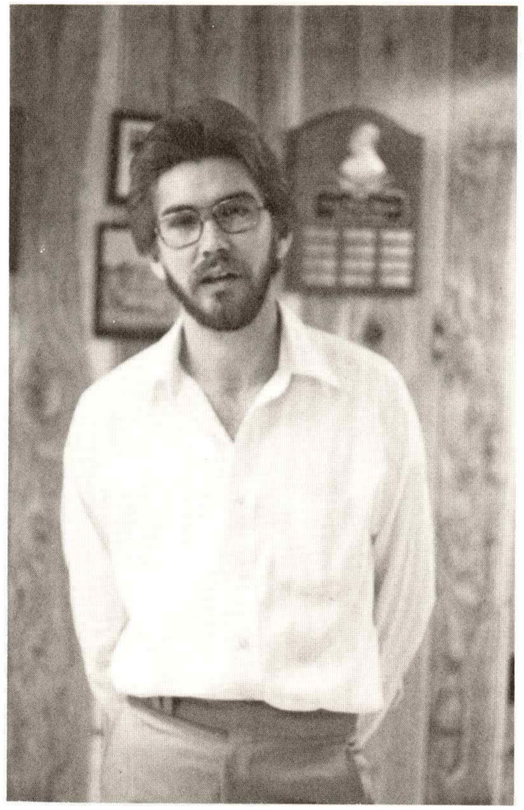
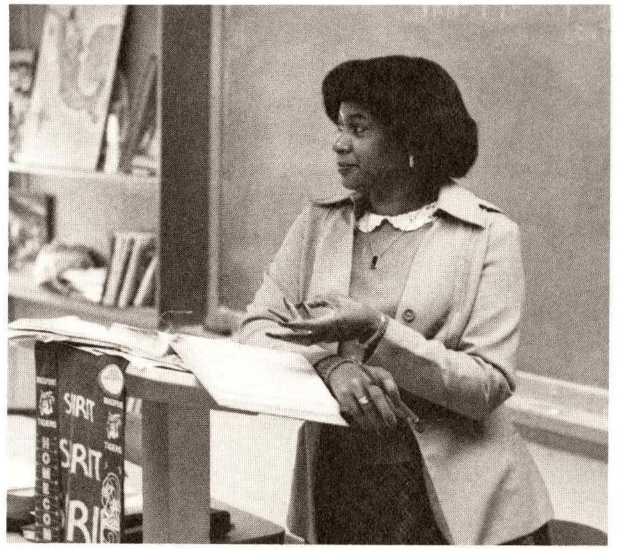
ADMINSTRATION AND FACULTY





This year teachers found that their involvements at MPHS wasn't confined to giving tests and having hall duty. Though most faculty members supported the student body, some teachers surpassed the realm of duty when necessity required.

They sacrificed their free time to work on Homecoming floats, chaperone dances, sponsor class activities and participate in many school functions. Still others, devoted time and energy to make their club projects successful.

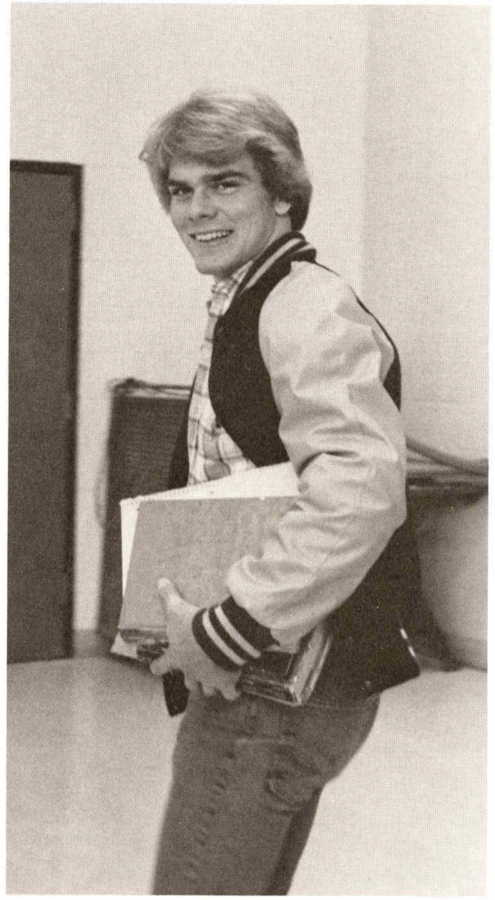
CAUGHT IN THE MIDDLE



Although we were caught between the Sophomores and Seniors, we managed to shine through with our own accomplishments. Led by class president Curtis Wells who was assisted by Portrene Campbell, Felicia Dailey, Janie Davis, Grenita DuBose, Mark Graham, Linda Jackson, & Malanda Saxton, we made a good profit on our Magazine Sale, candy sale, and car wash. We won our share of pep rallies on those early Friday mornings. During Homecoming week, we won first place with our float "Rough Ride the Tide." Jana Thompson, Mary Grady, Grenita DeBuose, and Toni Seawright represented our class as Homecoming Attendants. Overall, the Junior Class supported the idea "that the good times outweighed the bad."

LOOKING BACK

During our three years at MPHS, we have enjoyed both good times and bad times. Events have happened here that will long be remembered, and perhaps someday we will take the time to look back and remember how we tried to make our dreams come true.

BROOKHAVEN GETS A TASTE OF THE 1980 TIGERS

Moss Point began the season by traveling to Brookhaven to face the Brookhaven Panthers. The Tigers were paved by the Brothers Wonsley-Leroy and Nathan. They combined on thirty four carries to gain 213 yards and 3 touchdowns. Calvin Monroe scored another touchdown on a 16 yard pass from Jeff Standard. Joe Powe also scored a touchdown on a one yard plunge.

"It was a typical first game," Coach Miller said. "We made some mistakes on offense we wouldn't have made if we had practiced harder. But that's my fault, we'll never go into a game again without good, hard practices." He kept his promise!

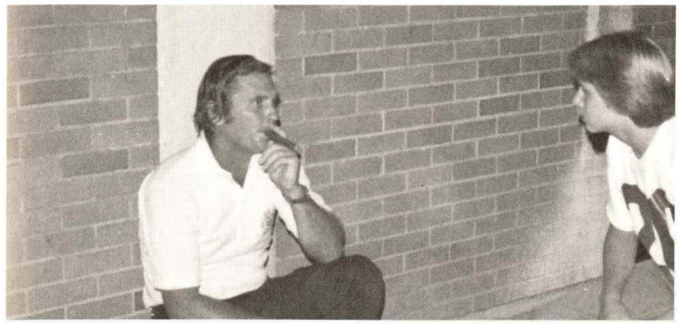
"AS TEAM GOES TO EASY WIN, COACH MILLER SMOULDERS"



A Sweet Puff

Head Coach Miller puffed away on his victory cigar after his Tigers recorded their second win of the season, but the win itself was the only thing sweet.

"The defense played well but we didn't play as a team. I'm happy for the win, but the win is just keeping score. We have a good team, but we must work at it. Some times when a team has talent, it thinks it can turn it on and off when it wants to. One of these days it isn't going to rev up when you want it too."

"SOMEBODY UP THERE LIKES US."

The Moss Point Tigers were ranked No. 1 and No. 2 in the polls, but after their exhibition against Theodore, A disgusted Coach Miller looked to the Heavens and said "I think somebody up there likes us." I don't think we were ready to play and that's what worries me."

Moss Point fumbled away the ball 5 times in the game. While Theodore lost control 4 times. It was a Moss Point fumble at its own 9 by Nathan Wonsley late in the first half, which set up Theodore's first touchdown.

After this fumble, a blocked field goal attempt, and another one by Lee Roy Wonsley. It became evident that Moss Point wasn't going to score unless it blocked a punt or recovered a fumble in the end zone. And that's just what the Tigers did, scoring twice in less than a minute.

A heart stopper. A nail biter Those adjectives aptly described the Tiger's dramatic 14-13 comeback victory. The unbeaten Tigers electrified the crowed by marching 66 yards in 12 plays over the last 3 minutes to post their fourth win of the season.

The Tigers climaxed the victory on the last play of the game. Senior full back Lee Roy Wonsley took a hand-off from quarterback Jeff Standard and bulled over right tackle from 2 yards out as the horn sounded to tie the game 13-13.

Thaddeus Wells then provided the winning margin by splitting the uprights with the extra point.

Homecoming maids and escorts watch the second half.

From the early planning stages, from floats to the climatic crowning of the Homecoming queen, spirits soared during Homecoming Week.

To promote a spirited and festive atmosphere, each day was designated as a special dress day and Rock and Roll day.

Finally, on Friday October 3, 1980, Homecoming Day arrived accompanied by sunshine and high expectations. Kick off at 7:30 pm in Dantzlar Stadium was accompanied by a cool breeze with a stand full of excited spectators.

By halftime the score stood at 0-7 the Tides favor. The halftime show consisted of the announcement of the float winner, the door contest winner, presentation of Maids and Escorts and of course, the announcement of Homecoming Queen Norma Myles.

Although we lost 7-10, it was agreed by all that Homecoming 1980 was a big success.

Picayune, which upset M.P. last year, put the winning points on the scoreboard with 15 seconds left to play on a 25 and 0 field goal. This loss knocked M.P. from the unbeaten ranks. In spite of the teams performance Coach Miller felt his Tigers were as talented as any team in the state. They played solid defense, but the defense never got untracked, fumble after fumble kept the Tigers at Bay, until Picayune returned the favor by fumbling right back. Linebacker Earl Jackson recovered and 4 plays later Leroy Wonsley got into the end zone for the Touchdown

JUST "STAYING ALIVE"

The MP Tigers hosted the OS Greyhounds in a game which ended in victory for the hungry Tigers.

During the first half, the Tigers could not generate enough power to score on several attempts, but in the second half, the mighty Tigers exploded . . . Two scores & a safety resulted. Nathan W. scored both of the TD's, although one was set up by a spectacular catch, by split-end Frankie Lynn. Rhoderick Watkins added 2 points, Blocked punt. C. Miller said his team did just enough to stay alive in the coastal zone war. The Tigers still had not shown their true potential.

HALLOWEEN TAKES A BACK SEAT, AS TIGERS ATTACK!!!

As MP went to Gulfport, they found themselves in a must-win situation. Head Coach Miller Said "The season is in front of us. We play 2 of the 3 best teams in the state the next 3 weeks. The question is-can we rise to the challenge?"

Rise we did! not just that, but in the midst of all the fans' yelling, you could hear "Attack . . . Attack . . . Attack . . ." From every Football player watching on the sidelines, and that they did!

The Tigers used a solid ground game and a stingy defense to defeat the 2nd ranked Admirals 7-3. In closing, Coach Miller said, "I think we beat Gulfport with what they have been beating people-with a lot of hustle and not making mistakes."

Sack behind the line.

The Meridian Wildcats grabbed a Tiger by its tail and held it from rushing anywhere, as Moss Point dropped its first Coastal Zone contest of the season.

"Meridian beat us in all phases of the game. If we have pride and character like I think we have, we should bounce back," Coach Miller said after the loss.

M.P. got on the scoreboard with just 51 seconds remaining when Larry Wall hit Frankie Lynn on a 31 yard pass for a touchdown. Leroy Wonsley added 2 points in the conversion. Almost half of the Tiger's total yardage came on their last possesion. M.P. was held to only 2 first downs and 23 yards in the first half. It was a long cold night for all the Tiger fans.

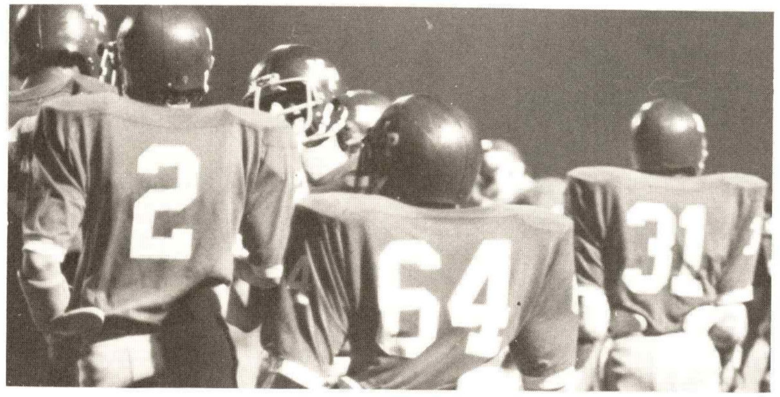
MOSS POINT WINS COASTAL ZONE

"One for all . . . all for One."



Sideline preparing attack.

A triumph over Pascagoula is always nice for Moss Point, but when that win gives you the Coastal Zone championship of the Big 8 Conference, then that's something to savor.

The Tigers mixed the running of the Wonsley brothers, the passing of Jeff Standard, and the backup signal caller Larry Wall to carve out the playoff birth-Moss Point's first since 1974.

Moss Point twice overcame Pascagoula leads and then put the game away in the final quarter to raise its record to 7-3.

THE PERFORMANCE . . .

NO ONE PERFORMS . . .

LIKE THE TIGERS

The MPHS Boy's Varsity Basketball team really put forth the effort to make the very best of things, on and off the court. MPHS was represented in a fine way, especially in sportsmanship all year. The credit for this belonged to the Tiger's fine coach-Authur Haynes. Among the outstanding players of the team were Abram Green, Reginald Colley, Dwitye McDougle, Roosevelt Taite, and especially John Henry McAuthor, who averaged 19.5 points per game. The Tiger's finished the year with a 22 wins and 11 losses record. We congratulate the "roundballers" on a job well done.

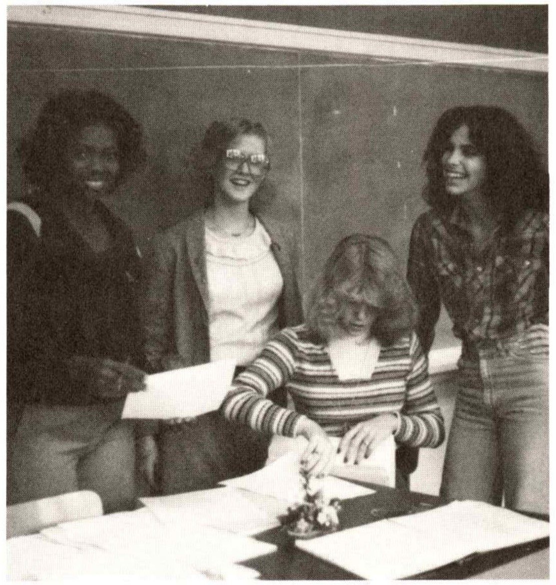
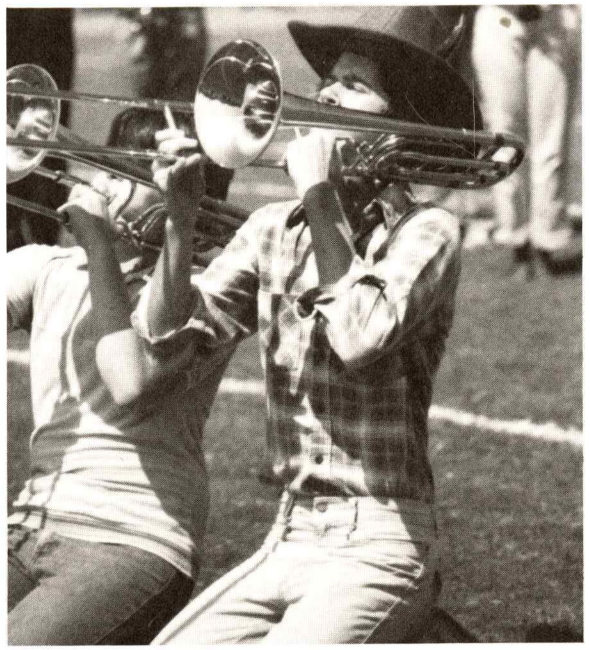
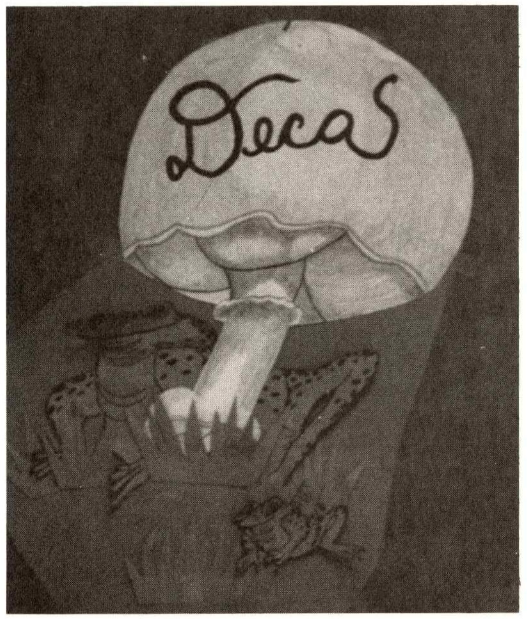
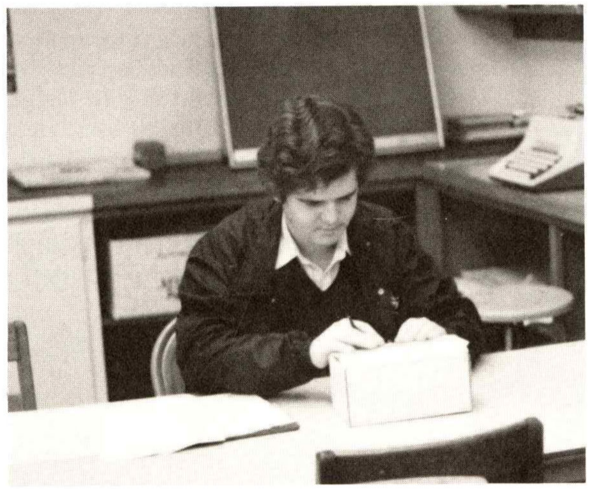
ORGANIZATIONS









We found ourselves caught up in an explosion of events and activities that shaped the year and made it unique for all of us. We finished homework early on weeknights and worked after school to complete Homecoming floats before the deadline. Devotion to a cause made us sell everything from M & M's to candles to shotgun chances. We even sacrificed Saturdays to wash cars, and donate our time to worthy causes.

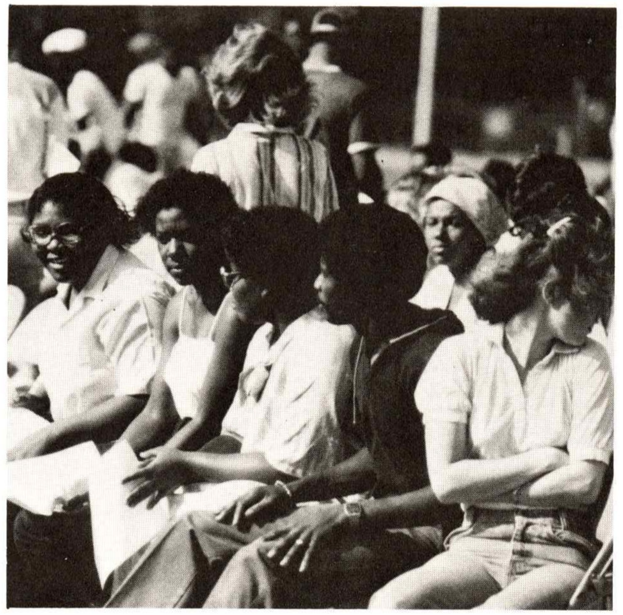
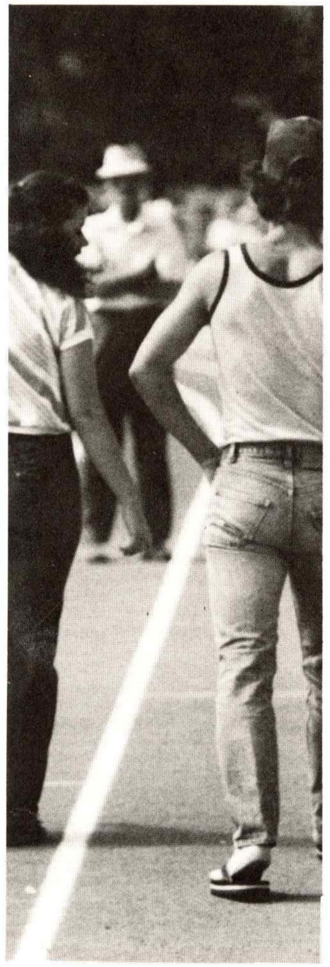
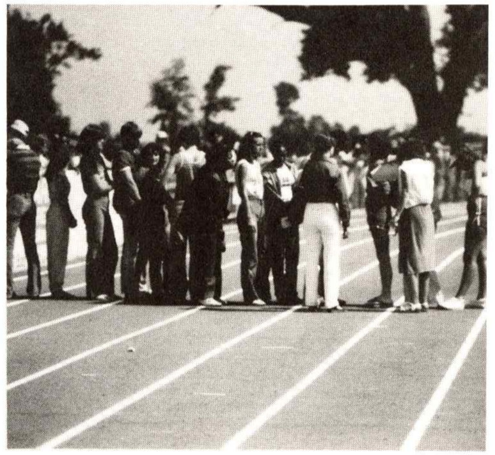
GRADUATION 1981 . . .



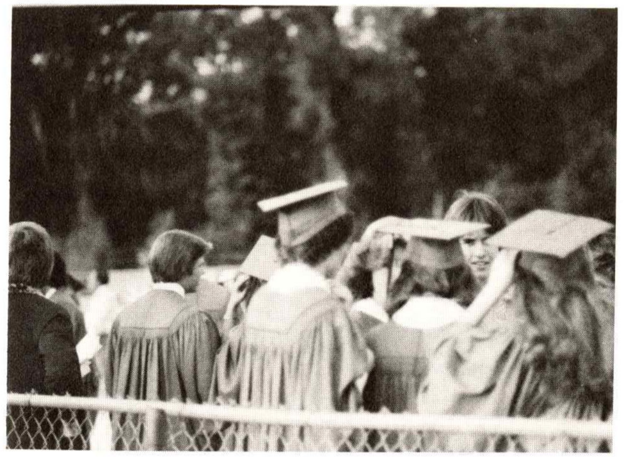
The mornings were unseasonably chilly, as the 348 seniors practiced for graduation. Amid sunshine, bubbles, complaints, Dr. Burkitt, Coach Holmes, Mrs. Rimer, Mrs. Hawley, Mr. Irwin and Mrs. J. Shepard, finally managed to get everyone where they were supposed to be-at the right time. Then it was relaxation time until 7 p.m. Friday night.

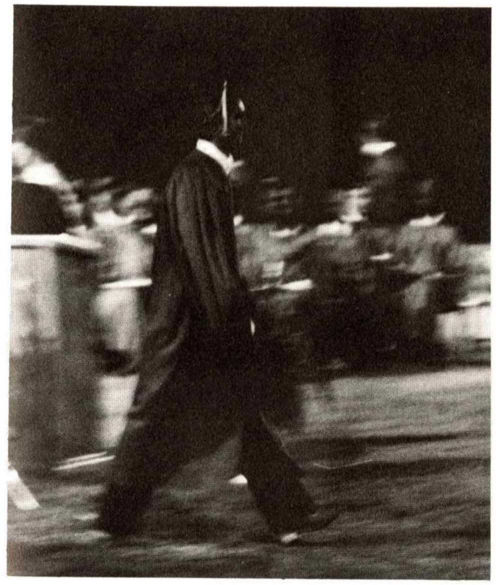


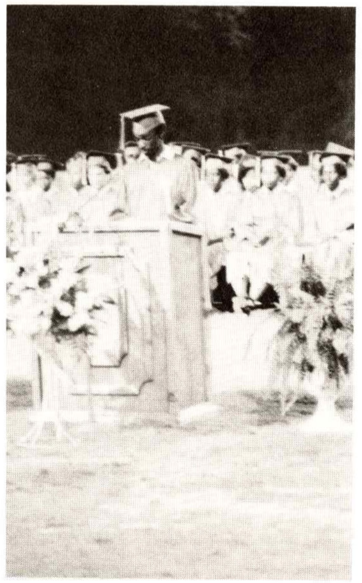


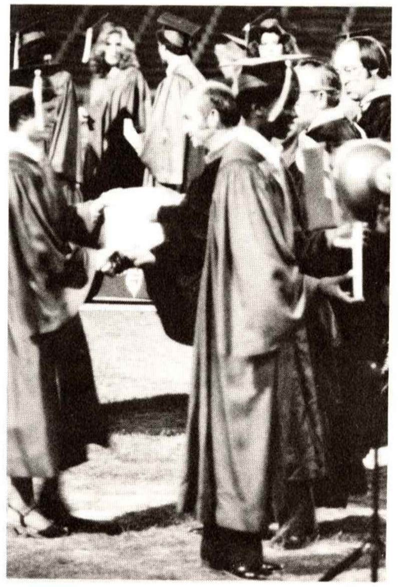
A CAUSE FOR CELEBRATION

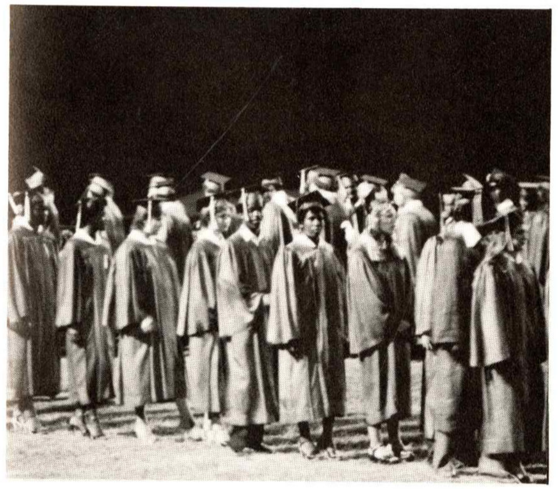
. . . MAY 22, 1981

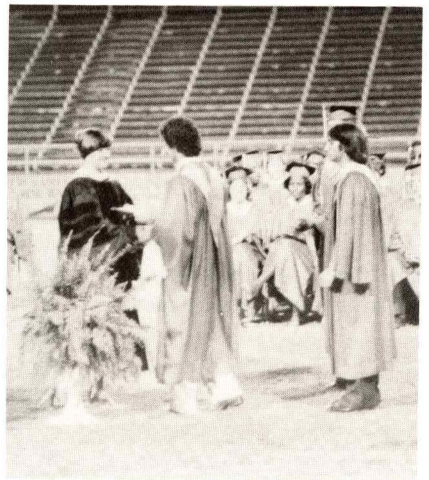






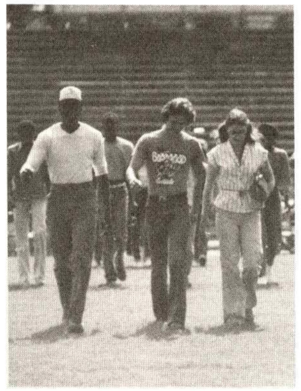


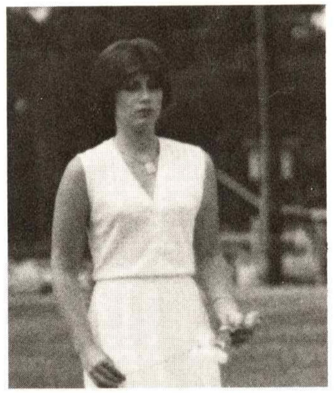




At 7 p.m. Mrs. Rimer, Mrs. Shepard and all senior teachers aided by Mrs. Tucker lined the seniors up for the last time. Tears and smiles were abound by 9:15, as the caps flew into the air and new lives began.

THINGS TO COME





Sweet magnolia night . . .
the birds sing their lullaby
in the smothering heat
   of the dying day.

I am soothed and somehow content
in my indolence . . .
as I sit here
and dream of things yet to come.

Let's stay here
if only for the moment . . .
this moment in time . . .
before all is lost . . .
and too far away to reach.

SENIORS SET A GOOD EXAMPLE FOR . . . UNDERCLASSMEN

In order to help the Growler Staff sell 1981 annuals, almost all homerooms participated in the sales campaign. The leadership homeroom led by seniors, swept away first prize of a free page in the annual, for being the homeroom to buy the most annuals. Later on in the year the senior members of the Student Council and our sponsor, Mrs. Berry, decided to give the annual staff our remaining funds which was one hundred and fifty dollars. This helped to pay the remaining portion of the annual.

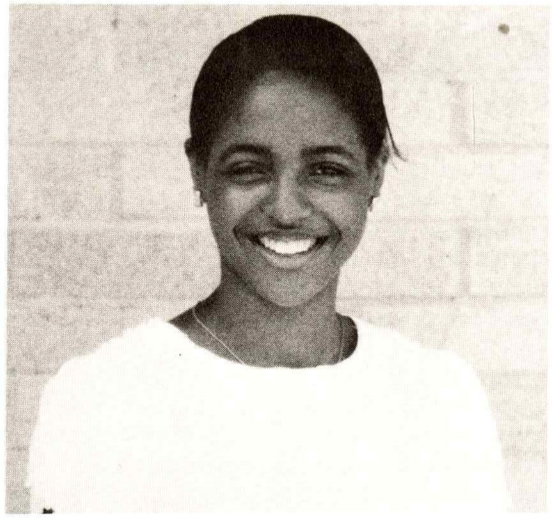
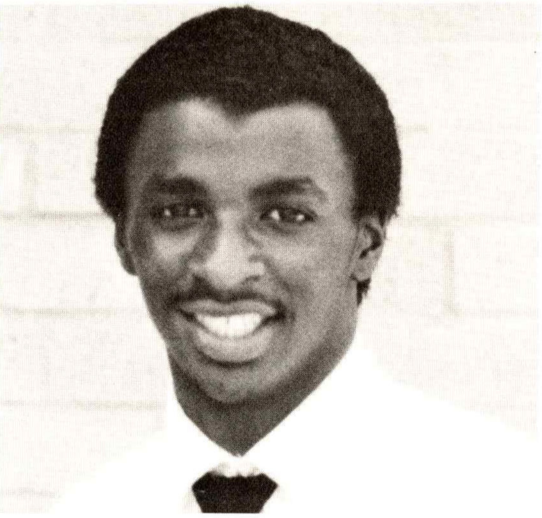
May brings the beginning and end for seniors-a new way of life, friendships may fade, but the memories remain. One day you'll look back and see if you remember . . .

Those feelings you had as a Sophomore . . . Too shy at the first pep rallies in the gym. You wouldn't yell no matter how hard Miss Conn, Miss Hall, or Mrs. Shepard begged. Suddenly gaining confidence enough to win two pep rallies will you remember the night we beat Pascagoula, cramming for a test 5 minutes before class, getting your drivers license and finally leaving your mother at home? How about getting "check-outs", selling doughnuts, sneaking M & M's, building Homecoming floats, the Womenless Beauty contest, the Gong Show, registration, report cards, detentions, the lunch room food, the Junior class play, Hurricane Frederic, Junior-Senior Prom, class rings, T-Shirts with sayings, disco, the Bonfire, field trips, gheri Curls, Nikes, straight leg jeans, the plight four hostages in Iran, Mr. Jones and Miss Conn leaving and Dr. Burkitt arriving as our new principal. The new vocational building, the condeming of the gym, Amanda Cowart (Soph.) and Thomas Fox (Sr.) Tiger Mascot, losing Classmates and friends such as Regina Miller, and Cathy Seely.



Miss MPHS: Muriel Lett

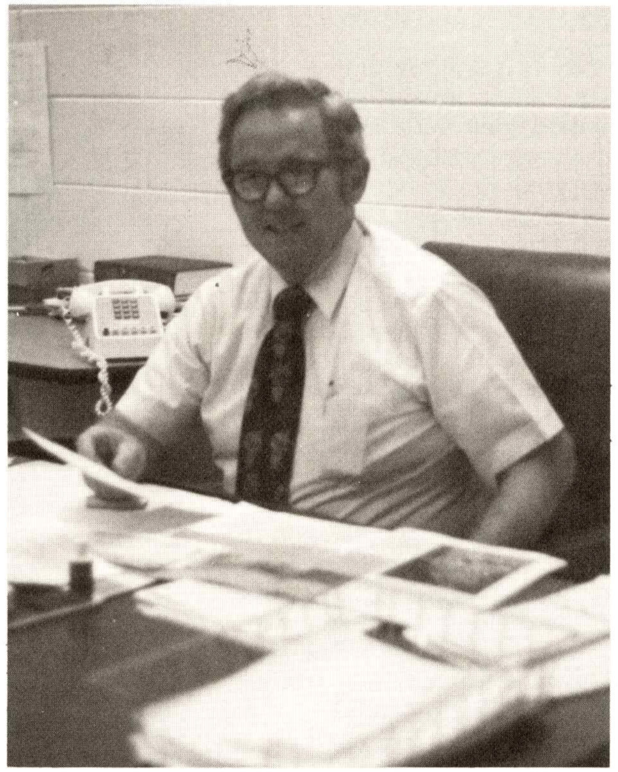


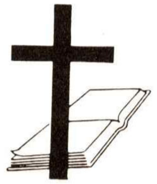
Mr. MPHS: Thomas Fox

IN MEMORIUM . . . A.C. HOLLIS

Mr. Alvin C. Hollis was born on September 8, 1920 in Philadelphia, Mississippi. He lived in Moss Point for 22 years. During these 22 years Mr. Hollis spent his time and effort trying to make Moss Point's schools a little better. He was the Principal at Ed Mayo, where he was in charge of dicsipline. He was always fair on his decisions about things that happened in the school, never failing to listen to both sides of the story. Mr. Hollis never said much around school, but when you went into his office you knew what was coming without any words!

After leaving Ed Mayo, Mr. Hollis went to Magnolia Jr. High where he was assistant Principal. He then came to the High School where he was an assistant of Mr. Denson who is over the YETP program. He made all the students with whom he came in contact with feel great. He was a member of the East Moss Point Baptist Church; National Education Association; University of Southern Mississippi Alumni Assocation; and also the Moss Point Touchdown Club, where he helped by taking up tickets for football and basketball games.





It would be hard for any of us who knew this easy going man to remember him any way other than with a smile on his lips.

When football season rolls around this fall down at Dantzler Stadium, his graciousness will be deeply missed, but we can't help but imagine that he is still with us.

Bob & Evelyn Nusko

When the chips are down, we use them.

Because of our country's rapidly increasing demand for wood and paper products, we at International Paper Company have started using what used to be thrown away.

Lumber and plywood manufacturing leftovers formerly burned as waste—such as slabs—are today important raw material for making paper. Sawdust, shavings and other wood residues formerly discarded are being converted into useful products while bark, once a solid waste problem, is now an energy solution when used for fuel.

We've been doing this for more than 20 years, and it makes sense more than ever today.

Sometimes solutions grow on trees.
